RE: Audiological Evaluation

Dear Parents:

We would like to thank you for choosing Hear 2 Learn to evaluate your child. It is our pleasure and privilege to do so. Please complete the enclosed forms and bring them with you to your appointment in our office.

_____ is scheduled for an Audiological Evaluation at our office on _____ at, _____.

The following is some information that will help you to know what to expect during your child's evaluation:

- To ensure your child's best performance we recommend that they be well rested and nourished.
- We suggest that you make arrangements for other children so you do not have to bring them with you to the evaluation.
- You will receive a report from Hear 2 Learn within three weeks after the evaluation. The evaluator may review the results with you during the evaluation.

Please give our office 24 hours notice at 315-701-5710, if you need to reschedule. Also, please note that in the event a patient is 20 minutes late for a scheduled appointment without notice, the appointment will be cancelled and will require rescheduling. Patients who do not show for two consecutive appointments, without notice, will not be rescheduled.

We look forward to seeing you and if we can answer any questions for you in the meantime, please do not hesitate to call upon us.

Sincerely,

Beth Beehner
Administrative Assistant
